

MACMAN MANAGEMENT

HEALTHCARE SERVICES

Who We Are:

In the very challenging and complex field of healthcare, our company offers clients ways to simplify and improve their business to maximize cash flow. We at Macman Management Healthcare Services have over 35 years of experience in the healthcare industry. We look to help improve all aspects of your practice. It is very important for us to maintain knowledge about the latest healthcare changes that directly impact revenue and compliance requirements.

We offer commitment and invite you to be a part of our growing list of clients.

Our areas of expertise include:

- **Revenue Cycle Management:** We offer experience in verification of eligibility and benefits, posting charges, coding, billing of claims, posting of payments, denial management and collection.
- **Project Management:** During this changing landscape of technology enabled healthcare, our expertise can bring you efficient and successful ways to deploy new technology, programs and services.
- **Quality Improvement:** With the increased focus towards quality care and public reporting of provider level data, our staff can provide exceptional expertise for you to meet State and Federal Guidelines, including becoming Certified Patient Centered Medical Home and achieving Meaningful Use.
